

A diagram of a processor block labeled "Processor" with "200" below it. On the left side, there are six input arrows pointing into the block, labeled from top to bottom: "RPN#", "CS#", "CKE", "WE#", "CAS#", and "RAS#". On the right side, there are two output arrows pointing out of the block. The top output arrow is labeled "DQ0-DQ15". The bottom output arrow is labeled "A0-A11" and "B0-B11".
